Trustees Silent on Plans For Alternate Measure

Voters overwhelmingly turned down a \$1,500,000 Sequoia High School bond issue Tuesday in the heaviest vote ever recorded in a district school election.

Of the 4988 ballots cast, there were 2332 "yes" votes and 2656 "no" votes. Slightly more than 20 per cent of the 23,980 registered voters in the district went to the polls between 6 a.m. and 7 p.m.

The bond issue required a two-thirds majority "yes" vote in order to pass.

Alternative to the \$1,500,000 bond issue designed to complete \$800,000 worth of additions to the Sequoia plant and erect the first units of two new high schools in the northern and southern ends of the district, is an \$800,000 issue to improve the Sequoia plant.

Proponents of the smaller issue, Trustees Merritt E. Hosmer of San Carlos and W. W. Hilton of Redwood City, said Wednesday any statement on immediate plans for meeting the building problems of the district would be withheld until after they had conferred with other board members. The board meets Tuesday at 5 p.m. to canvass the ballots.

San Carlos voters cast 618 ballots against the issue yesterday, compared to 241 "yes" votes. This was the largest single precinct vote. At the six Redwood City precincts, a total of 1375 "no" votes and 1163 "yes" votes were cast.

The Menlo Park area was the only one which voted 2-1 in favor of the issue. Of the 558 ballots cast at the Central School precinct there, a total of 401 "yes" votes and 157 "no" votes were balloted. However, the three precincts in that area, Las Lomitas, Menlo Park and Ravenswood failed to approve the bonds with the required two-thirds vote. There was a total of 770 "yes" votes and 419 "no" votes at the three precincts.

Supt. A. C. Argo said he had "no knowledge what the board will do next" in reference to the \$800,000 issue. Argo and Dr. James Thornton, Sequoia research director, conducted a vigorous campaign in support of the issue which failed at the polls yesterday.

The \$1,500,000 issue was first proposed at a public meeting at the high school last Dec. 7, Feb. 3, a motion by Hosmer to introduce the \$800,000 issue was defeated when Trustees Stuart W. Capps, Charles H. Merrill and Clifton H. Woodhams voted "no." The \$1,500,000 issue was then introduced and passed by a 3-2 vote, Hosmer and Hilton opposing the measure.

Final Bond Issue Returns

Precinct	Yes	No
1. Belmont	100	135
2. San Carlos	241	618
3. McKinley	250	358

DISCHARGED: Four Years In Service Ended for Marine

Marine Sgt. Claude Airaudi is home following discharge after 47 months in the service. He was stationed in San Diego 13 months.

SGT. CLAUDE AIRAUDI
and was overseas in the Pacific Theater the remainder of his service.

The '40 Sequoia High School graduate is the son of Mr. and Mrs. Dominic Airaudi of 424 MacArthur Ave. He was employed by Safeway Stores before entering the marines. Airaudi earned the Asiatic-Pacific ribbon with three stars, the Presidential Unit Citation with two stars, and the Silver Star for destroying a pill box on Tarawa. He served with the 2nd Marine Division on Saipan, Tinian and Tarawa.

After nearly four years in the army, Cpl. Humbert A. Smith was discharged from Camp Beale Monday with 111 discharge points. Smith was assigned to the army air forces in July, 1942 and went overseas in December, 1942 with the 414th Signal Corps to the Middle East. He later was transferred to the 9th AAF Ground Support Unit. Smith served as a radio operator, earning the European Theater ribbon with battle stars for eight campaigns. The veteran expects his wife soon from France. He is the son of Prof. Stanley A. Smith of 20 El Camino Real. Corporal Smith expects to complete work now for his Ph. D. degree.

Navy veteran Eugene E. Stewart was separated from the navy at Shoemaker last week. He is the son of the J. E. Stewarts of 762 Hillcrest Dr.

Negligence Count in Death Of RC Woman

Charging negligence on the part of two drivers and recommending the holding of a further investigation, a coroner's jury Wednesday returned verdicts on seven San Mateo County accident victims.

Found guilty of negligence were William Shelly of Burlingame, who was driving the light truck in which Melvin Byes, also of Burlingame, was killed on Feb. 22, when struck by a heavy diesel truck on Bayshore Hwy. at Peninsula Ave., and Maximo C. Alariz of San Jose, driver of the car which collided with the one Mrs. Mary Reis, 418 Standish St., was riding in on Feb. 3.

The jury recommended that Buster Wheeler, charged with having been the driver of the car which killed Arthur Paulson of Belmont, in a hit-run accident on Feb. 15, be held for further investigation. Paulson was crossing El Camino Real in Belmont at the time of his death.

Charges had previously been filed against Wheeler. An open verdict was returned in the case of James Mackie of Menlo Park, who was killed in a 17-car crash near Brisbane on Feb. 21, while an accidental death verdict was returned in the death by drowning of Thomas Wall, Wall was fishing near Princeton with two companions when his small boat overturned.

The jury listed as accidental the death of Mrs. Mary Mallinowski of San Mateo, who died on Feb. 18, after being hospitalized for injuries received when she was hit by a car in San Mateo on Jan. 7. Death of William Thomas of Palo Alto, who was killed while walking across El Camino Real in Redwood City on Feb. 8, also was judged accidental.

The inquests were held at the Snider and Sullivan Chapel, San Mateo, with Coroner William F. Crosby in charge.

Supervisors Favorable To Granting Funds To County Fair Assn.

The San Mateo County Board of Supervisors Tuesday voiced approval of a \$10,000 contribution to the County Fair Assn. for the Sept. 14-28 county fiesta at Bay Meadows but deferred granting the money until George Davis of the fair association committee reports the sum needed before July 1.

Davis told the supervisors that the association hopes to erect its own fair building "very soon" and that this will probably be the last time the county is asked for funds to operate the annual fiesta.

Supervisor Chmn. Edward R. McDonald earlier reported that no action would be taken today on the purchase of a site for the proposed new county juvenile home. Last week, court-house officials indicated that a 17-acre site on the south side of Woodside Rd. opposite Valota Rd. in Redwood City might be approved by the board today.

Davis stated that the fair hopes to net \$30,000 this year with the addition of horse racing.

Nearly \$113,000 fair association money is on hand now but the state, which has put up much of this sum, has earmarked the money for erecting fair buildings or purchasing sites, Davis said. Therefore, the association still needs county money for operation expenses, he pointed out.

"There is no place in the county to hold conventions comparable to

the Civic Auditorium in San Francisco," Davis said. "Money netted from horse racing will be matched by the state but will not be earmarked for special purposes for the state. The association, hence proposes to use part of this money for operation of a fiesta in 1947 and as part of the building fund," he explained.

Davis said that the county had granted \$10,000 for each of the previous five fairs since the plan originated in 1935 and was discontinued during the war years.

Supervisors agreed to defer action of the \$10,000 grant until the association reports how much money will be needed before the fiscal year 1946-47. The board pointed out that the present county unbudgeted reserve is small and that the fair money comes from this reserve.

ESTATE EXCEEDS \$70,000

The estate of Lucien Reiss, formerly of Redwood City, was appraised at more than \$70,000, according to papers filed today in the office of County Clerk W. H. Augustus. Of this sum \$63,254.93 was held in joint tenancy by Essye Reiss, administratrix and widow, and \$7679.08 was in separate accounts.

S.C. Shows New Building Permit Spurt

San Carlos building this year rose to \$1,356,550 Monday with the issuance of \$198,600 worth of building permits in the last four days of the past week, Bldg. Insp. O. W. Stewart reported.

Largest permit was for a \$108,000 theater with a 996 seating capacity at Laurel St. and White Oak Way. The permit was issued to Ray A. Knight Friday after approval by the city council Thursday night. Knight reports the theater building, 100 by 175 feet, will also house a drug store and restaurant.

Permits were issued to P. J. Murphy for five \$10,000 homes and one \$9000 home. The \$10,000 homes will be erected at 2081 Eaton, 137 Sunnydale, 1605 St. Francis Way, 212 Alberta and 181 Ruby; the \$9000 home at 236 Garnet.

A \$9000 addition to the "Doll House" restaurant at 1482 El Camino Real was recorded with a permit to Charles A. Wynn. Also issued were permits to Charles J. Holst for a \$10,000 home at 508 Pearl; a \$9000 home for Ellington and Mitchell at 1636 Cordilleras; \$400 porch and patio for G. P. Kuenkler at 2257 Howard; \$3000 addition to Art Tofanelli's filling station at lot 9, block 9, San Carlos Subdivision; \$200 for a greenhouse for Kenneth L. Parker at 929 Walnut.

Legion Plans Paper Drive Saturday

All waste paper should be tied into bundles and placed on curbs in Redwood City by Saturday noon for the American Legion paper drive, Chmn. Stanton Mullen reported Wednesday.

County Engineer M. A. Grant will head a fleet of trucks which will scour the city in the drive, first of its kind held here in many months.

The three legion teams of six men each will be captained by J. N. Thomas, William De Geller and A. E. Blakelee.

Legion members will meet at the Southern Pacific freight office Saturday at 1 p.m. to begin a canvass of the city and again on Sunday at 9 a.m. to continue the drive, Comdr. James Whitehead said.

Legion auxiliary members will aid in the drive by telephoning neighbors and asking them to have the old paper, magazines and cartons ready for the trucks. Mrs. Anna Bennett Robb is organizing the auxiliary in the campaign. The drive will be postponed in case of rain, Whitehead said. Funds from the drive will go toward the legion building fund and half of the amount obtained will go to the auxiliary.

Hospital Plan Meeting Set

Mrs. Henry A. Beeger, chairman of the Redwood City Hospital Study Committee, Wednesday announced a Monday night meeting will be deadline for return of petitions now in circulation.

Persons having petitions—marking first step in establishment of a hospital district—are urged to have them notarized and to mail or return them to the city hall in Redwood City if they cannot be presented in person at the meeting, Mrs. Beeger said.

The petitions, which will be checked against registration rolls, will be presented to the San Mateo County Board of Supervisors who in turn will conduct public hearings on the matter and subsequently order an election.

The City Council of Redwood City recently guaranteed \$2100 to cover cost of the election should it not pass. If voters approve formation of the hospital district, cost of the election comes from funds set up for the district.

Mrs. Beeger said resolutions soon will be drawn up for presentation to civic and service groups for endorsement to be turned over to the supervisors.

The proposed district, which coincides with the Sequoia High School Dist., would, if approved, be the first in the state to be set up under legislation passed a year ago.

Bear Gulch Rd. Plan Given DA's Office

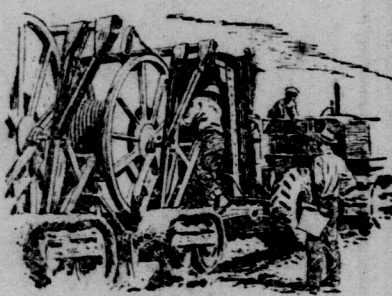

The board of supervisors Tuesday afternoon referred the plan to close Bear Gulch Rd. near Woodside to motor traffic to the district attorney's office, County Engineer M. A. Grant and to the Woodside fire commissioners in an effort to work out a plan whereby fire departments can use the road and still close it to other vehicles.

The planning commission had informed the supervisors it had received a letter from the San Mateo County Homeowners' Assn. asking that Bear Gulch Rd. be included in the bridge and hiking trail system in order to qualify for state aid.

A resolution was passed by the supervisors favoring hiking and riding trails in the county.

200,000 miles of new long distance circuits will be built in 1946

Big expansion program under way to speed your calls

This year alone, as part of a \$400,000,000 five-year expansion program, more than 200,000 miles of new toll and long distance circuits are planned for the Pacific Coast.

For we're on our way to providing a broader and faster long distance service than you have ever had before.

Everything possible is being done to expand long distance facilities now and to prepare the way for many new improvements to come. We handled more than 346 million toll and long distance calls in 1945—nearly a million a day—and we're gearing up to handle an ever-increasing volume as the West continues to grow through the years to come.

City Council Makes Plans To Improve Water System

Water department problems occupied most of the time of Redwood City city councilmen at their meeting Monday night in the city hall, although considerable time was devoted to hearing arguments which led to the denial of planning commission recommendations concerning setback lines.

Upshot of the discussion was the naming by Mayor W. W. Hilton of a water committee to study water department needs and methods of financing improvements. Members are the same as those which comprise the present finance committee—Chinn, C. C. Armstrong, Evans, A. Fletcher and Floyd D. Granger.

During parts of council discussion concerning the water department, city fathers heard City Mgr. E. W. Blom make recommendations for supplying water to an industrial area and ruled that they would hold to an agreement made with the Land Development Co. to provide water to Redwood Terrace No. 1 and No. 2 as they are developed.

The Land Development Co. through Ludwig Werder presented a tentative map of Redwood Terrace No. 2, a proposed subdivision, which had been approved by the planning commission. The tentative map was approved by council and the problem of supplying water was referred to the commission.

During the discussion it was brought out that council had promised to provide water to the tract but had never made public record of the promise. On request of Werder, council passed a resolution stating that the city was committed to providing water, keeping pace with the progress of construction.

Blom had previously told council that he could find no trace of their promise when he made a search of council records in compliance with a request made at last meeting. At the last session Blom had suggested that the city add to water department finances either by increasing rates or by charging sub-dividers for installation of new mains.

In commenting on the tract, Blom said last night that he estimated it would cost \$25,500 to provide water to Redwood Terrace No. 1. To take care of Terrace No. 2 he said it would cost an additional \$25,000 to run a new 12-inch main from a reservoir to the terrace. Terrace No. 2, he explained, could not be served by already oversized mains which will supply Terrace No. 1. Blom did not estimate how much it would cost to supply Terrace No. 2 after the main is in but today "guessed" it would be another \$25,000, bringing the total to approximately \$75,000.

The city manager also reported to council on a proposed project to supply water to an industrial district surrounding the Broadway Extension. He said that he could not correctly estimate water needs until industries were placed, but said his figures were based on the supposition that the area would take that water needed for minimum fire protection.

He said that such a plan called for the placing of a 10-inch main on Broadway from the National Motor Bearing Co. to Second Ave., a 10-inch main on Bay Rd., an 8-inch main on Bayshore Hwy., an 8-inch main inter-connecting north-south streets in the area, and a 16-inch main from the Second Ave. to 11th Ave. to tap a Hetch Hetchy connection. Total cost, he estimated, would be \$91,900.

Council denied a Planning Commission recommendation that 10-foot set back lines be established on west of El Camino Real on the north side of James Ave., the east side of California St., and both sides of Winkler St. The denial came after Atty. W. H. Morrissey, representing A. B. Cheatham and Atty. James T. O'Keefe, representing Miss Lea Reid, claimed their clients would suffer from the proposed setbacks. O'Keefe said the plan was faulty and would take property from his client without due process of law. Morrissey said that Cheatham had already given land to the city and paid for paving on Winkler.

bleck St. and should not be further penalized. Council referred the proposal back to the commission and called for study of setbacks only on James and California extending Cheatham owned property.

Council also: Granted a dance permit to Court Madrone 158, Foresters of America, for Mar. 23 and 30 until 1 a.m. Granted a rummage sale permit to St. Peter's Episcopal Church for Apr. 12 and 13.

Accepted \$5536.94 from the San Mateo County tax collector, the city's portion of a Dec. 20 auction of tax delinquent land.

Ordered Blom to redeem for \$115 Lots 25, 24, 25 in Block 43, Central Park 2.

Heard a planning commission recommendation that Middlefield Rd. between Bradford St. and Bayshore Hwy. not be rezoned to business from a residential district as requested by J. A. Banta, but ruled that Banta could continue his upholstery business at his present location without suffering abatement proceedings until June 1.

Upheld a planning commission denial of a request by L. W. Trumbley, 1442 Gordon St., for a permit to operate a commercial chicken business.

Agreed to allow H. H. Weiner to redeem three lots in the Lenolt tract when he pays all taxes due, half of delinquency penalties and turns in bond bonds he holds on the land.

Decided to drop a proposal to improve Beech St. when a petition representing 1795 of the 2740 front feet involved was presented disapproving the proposal.

Upheld a traffic commission recommendation that a traffic survey made by the Martin Transportation Co. be turned over to a city master planner when he is appointed.

Heard Blom report that no change was necessary in present zoning ordinances to prevent frame buildings in first fire zones and referred to the planning commission a request by Werder that that area on each side of Broadway from Maple St. to Chestnut St. be rezoned from second fire to first fire district.

Introduced an ordinance closing an alley in Broadway No. 3 subdivision.

Introduced an ordinance dis-franchising city employees on city commissions and boards.

Put on the agenda until budget time a proposal to construct a sidewalk-bridge near a Jefferson Ave. creek.

Authorized Blom to deal with the American Trust Co. to determine whether money held in escrow can be obtained to improve Poplar Ave. where a subdivision construction is being held up by litigation. This move was made in hopes of at least providing streets and sewers so that lands behind the stranded subdivision can be opened.

Authorized publication of a pamphlet to be sent with sample ballot explaining proposed charter amendments. The council said it would also mail objectors' materials with the ballots.

Passed a preliminary resolution of intention to make street improvements in that area bounded by Jefferson Ave., Quartz St., Vera Ave., Taft St. and city limits.

Donated \$400 to the American Red Cross.

Passed a resolution giving preliminary notice of intention to pass a routine weed abatement ordinance.

Introduced an ordinance setting salaries for the city engineer, engineering assistant, engineering aid, and junior account clerk. The four positions were created at last council session.

Heard Atty. Ernest A. Wilson present proposals for amendment to street improvement ordinances which he claimed would make it easier and cheaper to obtain street improvement funds. He said that at present the city pays contractors in bonds on completion of street jobs. He proposed that it sell the bonds and pay the contractor in cash.

Adjourned until tomorrow at which time it will award \$200,000 worth of city bonds to highest bidders. The bonds are the first to be issued of the \$998,000 authorized for city improvement at a 1944 election.

Call County-Wide Campaign To Fight Smallpox Threat

Dr. C. C. Gans, director of health and welfare, Wednesday alerted the county to the danger of Oriental smallpox and prepared to re-enact the 1939 vaccination campaign when 17,000 adults and children were immunized in San Mateo County.

Dr. Gans met with the County Medical Society Tuesday night and enlisted its members as volunteers in the mass vaccination program.

He urged every person who has not been vaccinated for smallpox within the last three years to see his private physician at once, or

to call at one of the public health department clinics. Schedules for the clinics will be announced tomorrow.

The health director's action followed a statewide teletype warning from W. L. Halverson, state director of public health, yesterday afternoon.

The state director reported the outbreak of eight cases of virulent smallpox in the "San Francisco Bay Area," and that the disease had

been reported in persons vaccinated within the five-year period ordinarily accepted as a safety factor.

None of the eight cases is in San Mateo County, Dr. Gans said, but warned that this did not minimize the danger.

This type of smallpox is prevalent in the Orient. It is believed that the eight cases originated with one exposure in Japan, and that the person who carried it into this country did so while the disease was in the incubation period.

Dr. Gans stressed the fact that this type of the disease is far more dangerous than the ordinary type

of smallpox usually encountered in California.

Dr. Halverson asked that all persons in the state be immunized without delay.

Fire Destroys Sheets, Scorches Wall, Curtains

An attempt to dry scarce sheets over a gas heater resulted in a fire Monday which destroyed the sheets and scorched a wall and curtains in the home of William Soules, 37 Hyde St., Redwood City firemen said. A maid at the Soules home suffered minor burns on her hand.

Burglars Net \$50 In Menlo Park Theft

Burglars unsuccessfully attempted to break into the safe of the Menlo Fruit Market, El Camino Real and Oak Grove Ave., Menlo Park, over the weekend, but made away with approximately \$50 in change from two cash registers, according to Police Chief Jack Yount.

Chief Yount said that the burglars gained access to the building through a transom at the rear, indicating that either a boy or a small man had committed the crime. A window in the transom was broken so that it could be unlocked.

Frank Grunert Falls From Taxicab, Hurt

Frank Grunert, 395 Sixth Ave., suffered minor injuries when he fell from a moving taxicab Monday at 8:44 p.m. Jusus Lionel Medina, 23, 626 Bay Rd., a driver for the Luxor Cab Co., said Grunert opened a cab door and fell out as Medina was turning left from Main St. into Pine St.

Grunert was taken to Community Hospital for treatment of head injuries.

The average age of the rabbit is from seven to eight years.

Two Rabbits—One Ear

Mrs. Dick Mason of North Fair Oaks examines two newcomers, offspring of one of her best mama bunnies, who came into this world slightly unfinished. "Whitey" (left) is most fortunate, because he came equipped with one ear, but poor "Blackie" (right) doesn't have even that to hear with. "But things are tough all over," he whined.

How to Make Spring Housecleaning Easier

The room-at-a-time method of spring housecleaning leaves most of the house livable during housecleaning and it helps get rid of lots of clutter. I like to do a room a week, then the whole job isn't so tiring and seems much easier.

HERE'S HOW I DO IT:
... Dismantle the room by removing knickknacks, pictures, draperies, curtains, window shades, rugs, and smaller pieces of furniture.
... Move the larger pieces of furniture to the center of the floor and cover with sheets.
... Start at the ceiling and work down, cleaning walls, woodwork, and windows in that order.
... Clean furniture, then the floors and rugs.
... Clean blinds, wash curtains, clean pictures and small furniture. Be sure to cover every inch of exposed space with some sort of cleaner.
... Clean mirrors and picture glass with window cleaner. Use soap and water on knickknacks wherever possible.
... Reassemble the room and move to the next one. In no time the entire house is spick-and-span.

HERE'S MY CLEAN-UP SHOPPING LIST
Packaged Soap for all soap-and-water jobs.
Vinegar for removing grease and smoke smudges. (Use ¼ cup vinegar to 1 cup water. Make a small amount and replenish as needed.)
Scouring Powder for all stubborn spots.
Window Cleaner for windows, mirrors and glass surfaces.
Liquid Wax for linoleum and woodwork.
Paste Wax for hardwood floors.
Furniture Cleaner and Polish.
Laundry Bleach to get things snowy white and to disinfect.
Starch and Dyes to freshen curtains.
Wallpaper Cleaner for wallpapers and non-washable window shades.
Brooms, Brushes and Dustcloths.
Paper Towels for window cleaning and to wipe up spills.
Upholstery Cleaner for upholstery, rugs and nonwashable draperies.
Ammonia for cleaning brass work.
Silver Polish for cleaning silver and chromium.
Special Cleaning Agent for sluggish pipe

CAUTION!!!!
Be sure to follow the directions given on the product, and experiment a bit on an inconspicuous spot if you're uncertain as to how to use it. This way you'll develop the right technique.

Mrs. Mary Francis Wednesday was awarded an interlocutory decree of divorce from Manuel Francis, bailiff in Judge A. R. Cotton's superior court and former chairman of the San Mateo County Board of Supervisors.

The decree was signed by Judge Andrew R. Schöffly of Marinosa County, when the divorce proceedings were held. Francis took himself in the unique position of defendant in the court in which he was bailiff. Francis was presented at the trial last year by Edmund Scott, who is now judge of Superior Court Sept. 2.

Judge Schöffly approved a property settlement dated Feb. 1 in which Francis agreed to pay Mrs. Francis \$100 a month. Mrs. Francis was to relinquish title to the family home at 935 Walnut St., San Carlos.

City Mgr. E. W. Blom Wednesday announced that the Redwood City electrical department, which has Chief Mark E. Ryan directing, completed an El Camino Real street lighting project from Center St. to the city limits.

The project was voted by council before the war but was held up by material and manpower shortages. It consists of 100 new high-voltage poles on the west side of El Camino Real. Lighting fixtures on the poles are of the lowest wattage than the Redwood City lights, are controlled by San Mateo County from Center St. to the city limits.

Completion of the project ends all anticipated lighting work on El Camino Real south of Broadway. Projected work on Broadway and Broadway north of Broadway will be completed by the city.

Answer to Previous Puzzle

IN THE SUPERIOR COURT OF
THE COUNTY OF SAN MATEO,
State of California.

Between HARRY R. FEE, alias, Deceased,
Plaintiff,
and
The Estate of Harry R. Fee, alias, deceased,
Defendant.

Notice is hereby given, that the said defendant, the Estate of Harry R. Fee, alias, deceased, will sell at private sale to the highest bidder, the said real property described by said Superior Court, on the 14th day of December, 1924, at 10 o'clock a. m., or after said day, at its banking office, at the corner of Third and B. Sts., in the County of San Mateo, State of California, all of the right, title and interest and estate of said Harry R. Fee, alias, deceased, in and to the said real property, and all of the right, title and interest that said estate has by operation of law, in and to the said real property, or in addition to that of the said Harry R. Fee, alias, deceased, in and to that certain parcel of land described in said Superior Court of San Mateo, State of California, and described as follows:

All that certain real property described in said Superior Court of San Mateo, State of California, and described as fol-

Portion of Lots 3 and 4 as shown on "Map of California and San Mateo County," filed in the office of the Recorder of said County of San Mateo, California, in Book "42" of Maps at page 22 and copied into Book 3 of Maps at page 10, as follows:

Beginning at the point of intersection of the Southwesterly line of said Lot 4 and the westerly line of Selby Lane; running thence south $32^{\circ} 00' 00''$ east 333.5 feet to the most easterly corner of the lands now owned by Mertens; thence leaving Selby Lane north $48^{\circ} 22'$ east along the northeasterly line of the said Lot 4 a distance of 637.56 feet to the northwesterly line of said Lot 4; thence north $32^{\circ} 00'$ east 333.5 feet to the southwesterly line of said Lot 4; thence south $32^{\circ} 00'$ east 333.5 feet to the south line of said Lot 4; thence south $48^{\circ} 22'$ east 637.56 feet to the point of beginning.

Containing the following piece or parcel of land described as follows:

Beginning at the most northerly corner of said Lot 3; thence along the north line of said Lot 3 $32^{\circ} 30' 00''$ W. 38.33 feet to a point distant S. $32^{\circ} 30' 00''$ W. 63.18 ft. to the corner of the lands owned by the Department of Public Works; Survey between Redwood City and San Bruno, California, known as the 2-B Rdw C. Atm. Mf. thence S. $45^{\circ} 42' 00''$ E. 421.45 feet; thence along a curve, a radius of 270.00 feet, through an angle of $100^{\circ} 00' 00''$ to the north line of said Lot 3; thence parallel with and distant southwesterly 50.00 feet at right angles from the said north line of said Lot 3; thence along said parallel line, S. $47^{\circ} 51' 00''$ E. 36.64 feet; thence along a curve, a radius of 35.00 feet, through an angle of $80^{\circ} 21'$, a distance of 100.00 feet to the north line of Selby Lane; thence along said line of Selby Lane north $48^{\circ} 22'$ east 637.56 feet to the northwesterly line of El Camino Real; thence along said line of El Camino Real north $70^{\circ} 00'$ east 100.00 feet to the north line of said Lots 3 and 4, N. $47^{\circ} 56' 50''$ W. 636.65 feet.

Containing 0.725 of an acre, more or less.

Total acreage to be conveyed being 4.96 acres more or less.

And the said piece or parcel of land and property and must be in writing and will be received at the office of the Recorder of said County of San Mateo and B Street, San Mateo, California, or may be filed with the Clerk of said County of San Mateo, California, in and for the County of San

IN THE SUPERIOR COURT OF
THE COUNTY OF SAN MATEO,
California.

THE Matter of the Estate of Matilda J. Schimmelpfening, Deceased.

N. J. Husted, Plaintiff, and
R. L. Husted, Defendant, vs.
The 25th day of March, A. D. 1946, at 10 o'clock a.m. of that day, and the Court of said County, in and to the effect of said Court, at the Court House in said County of San Mateo, State of California, have caused to be read and published for proving the will of Matilda J. W. Hall, formerly Matilda J. W. Schimmelpfening, and for the purpose of making the application of Edna Schimmelpfening, Plaintiff, for Letters Testamentary thereon. Reference to said petition is herein made by the undersigned.

(SEAL) N. J. Husted, Clerk; by M. J. Husted, 2555 Mission St., San Francisco 18, Calif., Attorney for Petitioner.

Dated March 4th, A. D. 1946.
N. J. Husted, Plaintiff; by M. J. Husted, Clerk; by Mura B. Stillerson, Deputy Clerk.

News of Commuters

BY JOE CABOSE

A total of 160 Commuter Club fathers, sons and daughters turned out for the dinner party at Sequoia High School cafeteria last Thursday night. The main course was spaghetti and meat balls garnished with paper airplanes. But the kids had fun, didn't we?

Entertainment was furnished by Jan's Varieties . . . and E. B. Bernman. The latter complimented his fellow Irishmen by singing "Ireland Must Be Heaven, 'Cause My Mother Came From Budapest." A clever young magician in Miss Demma's troupe held the youngsters spellbound. Sorry we don't remember his name.

Sanford DeBow's "San Carlos Symphony" furnished the music. Roy Fredlund performed some legerdemain of his own which produced a gardenia for each young lady. Pres. Clarence Brizee and Program Chmn. Tom Cutting saw that everyone was duly thanked, including Mr. Argo, for the use of the hall and F. A. Pohlman and his staff for the excellent service.

Only club business transacted was a "must" item, the first meeting of the nominating committee's report. Chmn. Lou Winkewer reported as follows: "Your nominating committee, consisting of Dr. E. Boyd, John Clarke, W. C. Curran, Gene Hoffman and myself, have selected and nominated the following: President, W. J. McKeegan; vice president, Paul Allen; secretary, Frank Hull; treasurer, W. Mallon; for board of directors, Clarence Brizee, Wayne Burke, Tom Cutting, Roy Fredlund, Joseph Harper and George Raubinger; for sergeants-at-arms, M. L. Brockway and J. A. Werner."

Young James Flanagan (Cub Pack 16) tells this story. A little girl's pet canary died. She was inconsolable. Groping for a way to assuage her grief, he did hit upon the idea of giving the canary a fine funeral. That pleased the little girl. So dad got one of his empty cigar boxes, trimmed it with white satin and tenderly placed the bird therein. The little girl wanted to know if canaries go to heaven. Father fibbed a little and said "yes." The bird was buried in a corner of the back yard with due dignity. Later, during dinner, the little girl began to laugh. Amazed at her sudden change of moods, her father asked what was so funny. "I was just thinking," explained the little girl, "how surprised St. Peter will be when he opens that cigar box and finds

Ethel B. Kane To Oppose Fred E. Beer

First contest for a San Mateo County office, other than judicial posts, developed Monday when nomination papers were taken out by Mrs. Ethel B. Kane, widow of Thomas J. Kane, controller for seven years, for the office formerly held by her husband. She will oppose Fred E. Beer, who was named by the board of supervisors to succeed Kane and who is seeking reelection.

Nomination papers for Mrs. Kane were taken out from County Clerk William H. Augustus Monday by Mrs. Stephen Watson of San Mateo, a friend. A fee of \$100 was paid for the papers.

Mrs. Kane was a candidate for the controller's post following the death of her husband Feb. 23, 1945. The supervisors, however, named Beer, who had been chairman of the board.

Mrs. Kane said today she was thinking about seeking the post for some time, declaring that the supervisors decided against her and that the voters should be given a chance to express themselves.

Mrs. Kane attended schools at Cincinnati, O., and was graduated from nurses' training school at Columbus, O. She was a nurse in World War I. Her late husband was a World War I veteran.

Mrs. Kane is the mother of Thomas J. Kane Jr., a veteran of four years' service in the navy, who had been mentioned for the post but who chose to attend law school at University of Santa Clara instead of seeking the county job; Lois Kane, registered nurse at Community Hospital; John Kane, a marine corps veteran, now a student at Oregon State College and James Kane, private in the army, stationed at Camp Crowder, Mo.

Relief At Last For Your Cough

Creomulsion relieves promptly because it goes right to the seat of the trouble to help loosen and expel germ laden phlegm, and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. Tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough or you are to have your money back.

CREOMULSION
for Coughs, Chest Colds, Bronchitis

Now Breathe Deeply

Taking advantage of the San Mateo County Tuberculosis and Health Assn. X-ray clinic, Mrs. R. Thompson of Redwood City undergoes a test at the courthouse this week. Assisting is Allen Gunningham of the association.

Boy Seeks \$15,000 For Mother's Death

Howard Rohrs of Hayward Tuesday filed suit in superior court here asking \$15,000 for his 12-year-old son, LeRoy, who lives with an aunt, Mrs. Ethel Finnel, 2725 B. St., San Mateo, against Adele Prescott.

Rohrs alleges that the boy's mother paid \$50 a month for his support until she died July 25, 1945, as a result of a fire when the quarters she rented from Adele Prescott burned and complicated items as pressure gauges, thermometers, valves, recorders and controllers. We understand there is only one other man on the West Coast who can do this type of work.

Chmn. Jack Welch has asked us to announce there will be a meeting of the house committee Wednesday night, Mar. 20, at the home of Cecil Campbell, 777 Cordillera Ave., San Carlos. . . Card-playing commuters are grousing about the lack of card boards on certain morning trains. Some trains, some days, have ample boards for all; others have none at all. The increase in card games is a sure sign of returning normalcy in commuting.

Dr. Charles Reed of the Mayo Clinic recently told biologists meeting in Atlantic City that smoking cigarettes interferes with seeing well in the dark. He said that as few as two cigarettes a day are known to impair night vision. At the same meeting it was testified that smoking tobacco shortens life in humans, but that tests made on rats indicated nicotine absorption lengthened the rodents' lives. The rats could not be made to smoke cigarettes, but human smoking was simulated as nearly as possible by blowing smoke into their cage at one-minute intervals. The animals thus exposed daily to cigarettes lived an average of 642 days. The non-smoking rats lived only 631 days. Tests conducted by the late Dr. Raymond Pearl of Johns Hopkins on 6000 humans, indicated that smoking tobacco shortens life. The conclusion of these men of science seems to implicate, if you're a rat, smoking won't hurt you.

LEFT \$17,000 ESTATE

Estate of the late Justin Fitzgerald, one-time big league baseball player and former city councilman of San Mateo, is valued at \$17,000, according to an inventory filed Monday by appraiser Bradford W. Melvin.

In the middle ages, brides carried or wore wheat ears, and the guests, hoping for prosperity, threw grains of wheat over the bride.

\$10,000 Damages Voted by Jurors

A jury in Superior Judge A. R. Cotton's court Tuesday afternoon returned a verdict that William Jonas of Brisbane, one-time member of the Daly City-South San Francisco Selective Service Board, pay \$10,000 to John J. Vaughan as the result of a shooting at Brisbane on Mar. 16, 1942.

Vaughan had sued for \$52,825. He charged that Jonas fired a shot at him in front of Dick's Tower, Brisbane, which Jonas was operating. The bullet went through Vaughan's abdomen. Jonas claimed self-defense.

On Jan. 15, 1943, Judge Cotton gave Jonas a six-month suspended sentence.

The jury yesterday awarded Jonas \$5500 compensatory and \$4500 exemplary and costs. The trial lasted three days.

In the middle ages, brides carried or wore wheat ears, and the guests, hoping for prosperity, threw grains of wheat over the bride.

can tell you a lot about your Water Heater

How does your water heater "size up" on wash-day? If family use of hot water in bathrooms or kitchen drains down your water heater so you must wait or do your laundry with luke-warm water, your water heater is too small.

Modern homes need a water heater with at least 30 gallons water storage capacity. • When you build a new or remodel your present home be sure to have your plumber "size up" your hot water needs according to the chart below.

How to "Size up" Hot Water Requirements
Minimum Recommendations for Normal, Average Hot Water Service.

Number Bathrooms	Number Bedrooms	Storage Capacity Gallons
1	1 or 2	30
1	3 or 4	40
2	2 or 3	40
2	4 or 5	50
3	3	50
3 or 4	4 or 5	75

Remember, too, a large size water heater costs very little more to operate. It more than pays for itself in worry-free hot water service for the whole family.

Boy Scout News

Campercrafts, administrative policies and troop program planning will be the main subjects for discussion at the second of a series of all-day training sessions for Scout leaders of the southern district of the San Mateo County Council to be held at the Scout Hall in Woodside this Sunday, it was announced by Andrew Spinas, training chairman, this past week.

Opening at 10 a. m. Sunday the course will involve methods and practices which are employed in the successful handling of troops and will feature a special meal at noon prepared by mothers of Troop 159, Woodside. It will include entertainment features provided by members of the unit, Spinas said.

Invited to attend are scoutmasters, assistant scoutmasters, troop committeemen and members of the district scout committee. Assisting Spinas in the presentation of the subject matter will be Chet Wilson, C. K. Eisler and E. A. Barter of the council executive staff as well as a staff of experienced local leaders. Representatives are expected from Belmont, San Carlos, Pescadero, Woodside, Redwood City, Atherton, Menlo Park and East Palo Alto.

Masons to Co-operate In Schools Week Fete

Members of Menlo Park Masonic Lodge 651 Wednesday announced plans to observe Public School Week between Apr. 8 and 13.

Residents of the Ravenswood Menlo Park and Woodside Elementary School Districts, will have opportunity to visit the schools during the observance and to attend special programs, Royal Hodge, chairman of Lodge 651 announced.

Arthur W. Brouillet, grand master of Masons in California, called upon 130,000 California Masons to co-operate in the 27th annual observance of Public Schools Week, Hodge declared.

Members of Hodge's committee include Dr. J. Ross Hardy, Fred Ellerman and Frank D. Hill.

E. A. Wilson Resigns As S. M. City Attorney

City Atty. Ernest A. Wilson of San Mateo Tuesday announced his resignation because of "the increasing pressure of other business." Wilson has been city attorney for 15 years.

Greyhound Lines Sued for \$20,000

Rose Barbatti, through an Oakland attorney, filed suit for \$20,000 damages against the Pacific Greyhound Lines today in superior court here.

She alleged that she was injured when the Greyhound bus in which she was a passenger on Nov. 24, 1945, collided with an automobile on Bayshore Hwy. in the vicinity of Brisbane. The bus was driven by Wallace Earl Albritton, also a defendant, and the car by Lawrence M. Zelayete of Brisbane, now deceased, she says in the complaint.

She was a warehouse helper making \$9.20 a day, she alleges.

Nab Dope Ring In San Francisco

Federal narcotic agents in San Francisco Monday declined comment on their disclosure that an alleged dope ring smashed by the arrest of eight men yesterday had a supply station or warehouse on the Skyline Blvd.

The dope peddlers, according to Asst. United States Dist. Atty. James Davis, had a "showroom" in a San Francisco bar.

U.S. Civil Service Tests Planned

Emmett Donnelly, local secretary to the United States Civil Service Commission, Wednesday announced the first postwar examination for probational appointments will soon be conducted in San Francisco.

Stenographers and typists now have the opportunity to qualify for probational appointments and classified status, he said.

Further information regarding the examinations can be obtained from Donnelly at the Redwood City Post Office or from the 12th U. S. Civil Service Regional Office, Room 129 Appraisers Bldg., 630 Sansome St., San Francisco 11, Calif.

Charges Against Hess Dropped

Manslaughter charges against Robert E. Hess, 23, of 1544 Vinal Ave., Burlingame, were dismissed Monday in Redwood City Justice of the Peace Court by Judge Edward I. McAuliffe, who ruled "there was no evidence of gross negligence."
